

Overview

Newtec Cy NV hereby announces the end of life of the DVB-S2/DSNG/S receiver board NTC/7062/AB.

The applicable end of life (“EOL”) process is as specified in Figure 1. The capitalized terms used in such process are as defined in the general EOL policy.

The general EOL policy is available on Newtec’s dedicated website at <http://www.newtec.eu/support>.

| EOL schedule | Effective Date |
|--------------------|-----------------|
| EOL announcement | 1 December 2010 |
| End of Sales | 1 June 2011 |
| End of Engineering | 1 June 2012 |
| End of Support | 1 June 2013 |
| End of Life | 1 June 2014 |

Figure 1 EOL timeline

Special conditions

The End of Sales date of 1 June 2011 is indicative only and cannot be guaranteed. Due to end of life of critical components, the number of available NTC/7062/AB boards is limited. Unless a specific agreement has been concluded with Newtec, Customers will be served on a “first come/first served” basis.

Product and versions affected

| | | Firmware | Firmware version |
|-------|---|----------|-------------------|
| 17564 | NTC/7062.AB.A-/UNIT – DVB – S2+DSNG REC | NTC6303 | 1.05 and previous |
